NEW PARTY FROM GROUND UP, ROOSEVELT'S PROGRAM. MUST BE NO COMPROMISE

Completely Severs Connections With Party With Which He Has So Long Been Identified—Many Offers of Support From Democrats and Republicans Southern Delegates Would Have Nominated Him Under Certain Conditions, but He Refused

CLEVELAND, June 24.—A new party from the ground up is the Roosevelt program. After a series of discussions with his lieutenants today before leaving Chicago, in which there were several sharp clashes, Colonel Roosevelt decided to cut entirely away from the party with which his whole public career has been identified.

His decision was a disappointment to those who favored the organization of what might be considered an independent Republican party with which various state organizations might cooperate and still maintain, it was hoped, a nominal regularity. "There must be no compromise, no straddle," Colonel Roosevelt said.

As an indication of his determination he said that when he returned to Oyster Bay he would communicate with a number of Democrats who he thought might wish to join the new party.

When he had left Chicago, with the first plans completed and his leaders scattering to all parts of the country, Colonel Roosevelt expressed himself pleased with the outcome of convention week. He said he had a mass of letters and telegrams from Democrats and Republicans offering support.

The Republican nomination for president, Colonel Roosevelt said tonight, was his for the asking on the day that President Taft was renominated. He declined to accept it, he said, on the terms under which the offer was made.

Secret History of Last Day.
On his way back to Oyster Bay, the former president gave a glimpse into the secret history of the last day of the convention. It was a plan to have the contest of the convention at the last moment by a sudden move, overruling the Taft majority and make Roosevelt the nominee. This is the story as he told it.

Early Saturday morning a group of delegates from southern states arranged a private interview with Colonel Roosevelt. They told him they had come to offer him the nomination. They had with them a list of the known Roosevelt delegates and said they were authorized to speak for a block of Taft delegates who were to swing to Roosevelt to avert a rupture in the party. The number of these delegates they assured Colonel Roosevelt, was large enough to nominate him or any other candidate he might name.

Refused Their One Condition.
One condition was made, Colonel Roosevelt continued. It was that he must accept the nomination from the convention as then composed and not insist on removal of the 78 delegates who, he contended, were fraudulent. The delegates told him, he said, that their band would stand together on the roll call for the presidential nominee, but that it would be useless for them to attempt to combine with the Roosevelt minority to unseat the 78 delegates.

Colonel Roosevelt said he informed these emissaries that if he should be nominated under these conditions he would not accept the nomination. He told them to go to the delegates whom they represented and bring back to him a pledge signed by 30 delegates, agreeing to combine with the Roosevelt delegates and make the attempt to start all over again and to unseat the 78 contested delegates. The attempt failed.

Colonel Roosevelt said a considerable number of signatures to the pledge were obtained, but that it had proved impossible to hold enough in line to give his plan a chance to succeed.

Chief Point of Interest.
The chief point of interest to Colonel Roosevelt's supporters today was whether they would be able to carry with them the strength of the follow-

FIVE MINERS HURT IN TWO ACCIDENTS

Special to The Gazette.
VICTOR, June 24. Five miners were injured in two accidents near here late this afternoon.
Charles Stream, holding the contract for the sinking of the Portland company's No. 2 shaft, sustained fractures of both legs. Charles Houghburg's skull was fractured, and two other miners working with them suffered severe strains and contusions, when they fell 10 feet in the shaft. The danger of a falling on which they were working was great.
George Sharp, brother of John Sharp, a lessee on the Hill City mine of the Victor Consolidated Gold Mining company, who was employed by the latter on the lease, had two ribs fractured when a mining timber fell from above and caught him.
Both accidents occurred shortly after noon, and all of the injured men were brought to the District hospital here. Houghburg was the most seriously hurt, and his condition is said to be serious.

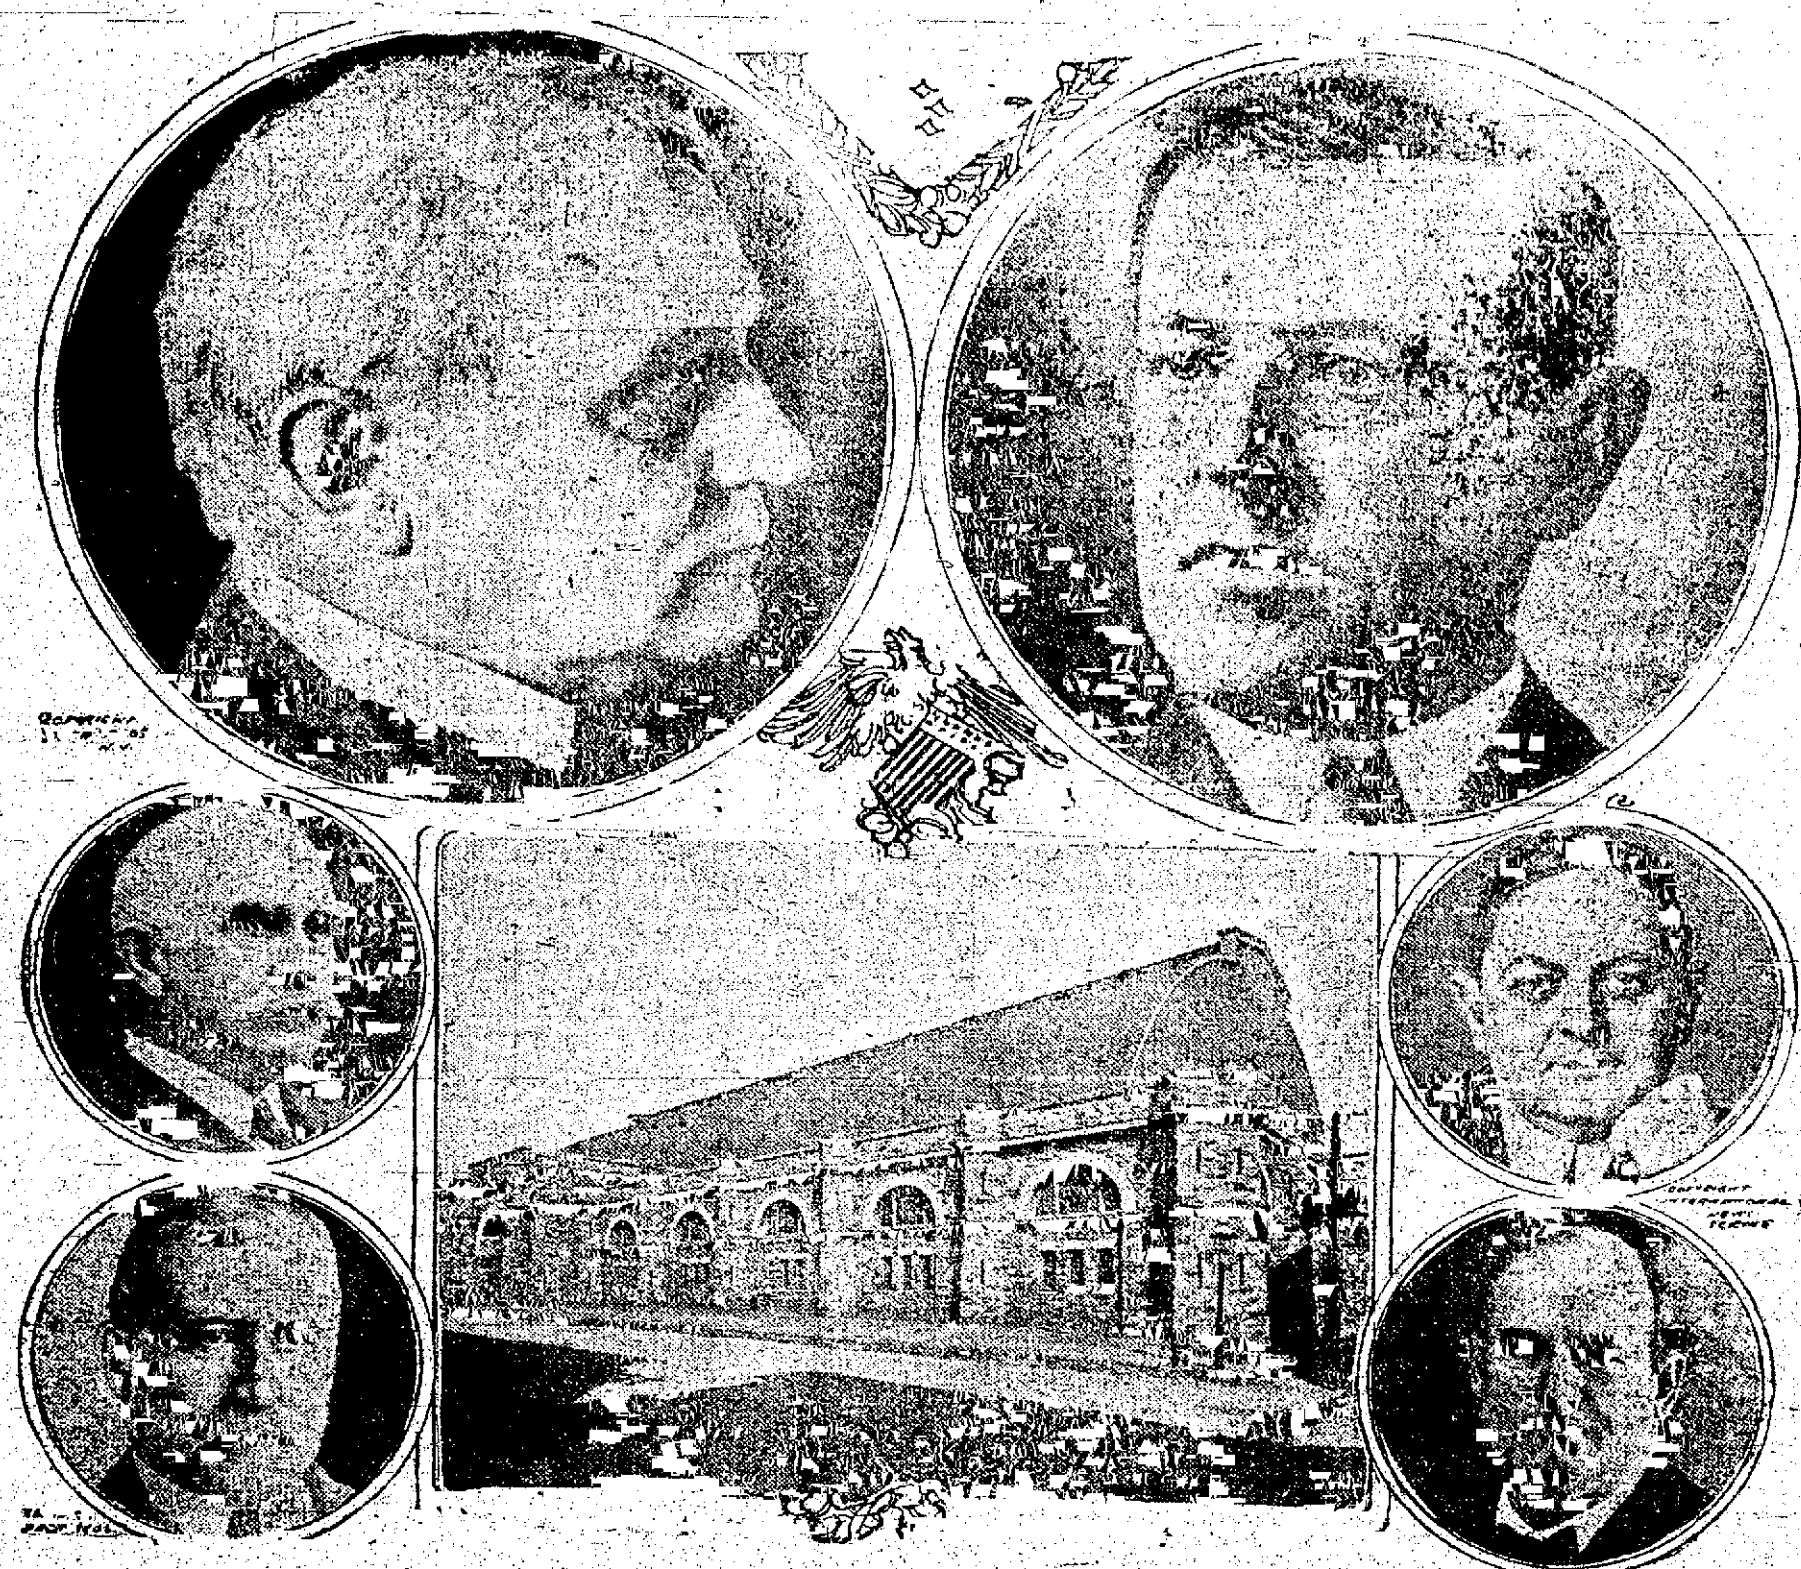

DEPARTMENT OFFICIALS ARE WITHOUT FUNDS TO CARRY ON THEIR WORK

WASHINGTON, June 24.—The failure of congress to pass appropriation bills is causing much concern to department officials. Secretary Wilson has sent word to many of his field men not to incur any expenses after June 30.

Secretary Stimson today issued a general army order, similar to that issued last week to the navy. It provides for feeding and clothing non-commissioned troops, the continuation of enlistment and the continued employment of the civil employees of the army, but with the understanding that they, as well as the line and staff of the army, must go without pay until congress provides.

Jane Jefferson Club of Denver Appeals to Democrats for Suffrage

DENVER, June 24.—"Is China more advanced than the United States?" asked the Jane Jefferson Democratic club of Colorado, of Chairman Norman Mack of the Democratic National committee, in an appeal sent to him to urge the adoption of a woman's suffrage plank in the party platform. The club reminds him that the Chinese republic has given women the right to vote. It also calls to his attention the fact that women will have about 1,000,000 votes in the presidential election.

DEMOCRATS AND REPUBLICANS IN POLITICAL LIMELIGHT.
Most talked of candidates for the Democratic presidential nomination at the Armory, at Baltimore, where the Democratic National convention will convene. Reading from top to bottom, on the left side are: Champ Clark of Missouri, speaker of the United States house of representatives; Judson Harmon, governor of Ohio; and William Gaynor, mayor of New York city. On the right side, from top to bottom: Woodrow Wilson, governor of New Jersey; Oscar Underwood, United States representative from Alabama and Democrat leader in the house; and William Jennings Bryan, of Lincoln, Neb.

MORE VICTIMS OF DOCK CATASTROPHE

Accident Due to Absence of Inspection—Drunken Men Hamper Investigation

BUFFALO, N. Y., June 24.—Every hour today added to the toll of dead in last night's accident at Eagle park, Grand Island, when 50 feet of an excursion dock collapsed and dropped nearly 200 persons into the Niagara river. The semidarkness, the eight-mile current of the river at that point, the confusion and swiftness of it all, served to cover up for a time the full extent of the catastrophe.

Up to midnight, 11 bodies had been recovered, and there was a list of 11 more who were known to have been at the park, and had not yet been accounted for.

There was considerable disorder at Eagle park after the accident. Employees of the place refused to lend any aid to Dr. Stocker, deputy medical examiner, in his efforts to recover bodies, and his investigations were hampered by drunken men.

The accident has brought out the absence of dock inspection.

No Supports Under Rotten Planks.
The section of the dock which gave way was about 50 feet in length and 25 feet in width. The medical examiner who examined the wreckage at dawn found that many of the broken planks were rotten and that directly beneath the collapsed portion of the structure there were no supporting piles.

Democratic Factions Will Start Fighting At Fall of Gavel Today. Bryan Refuses to Change Position

BALTIMORE, June 24.—All hope of averting a fight from the fall of the gavel in the Democratic national convention, vanished tonight when the national committee approved the selection of former Judge Alton B. Parker of New York, as temporary chairman, in defiance of the threat of William J. Bryan to make an issue of the alleged conservatism of Judge Parker as opposed to the progressivism which the distinguished Nebraskan declares should prevail.

An effort was made by the national committee today to placate Mr. Bryan, but a conference resulted in complete failure. Mr. Bryan would not recede from the position he had taken and tonight prepared to make his fight from the floor of the convention tomorrow to rally the progressives to his standard in opposition to Judge Parker.

Mr. Bryan announced today that if no other good progressive could be prevailed upon to make the race, he would enter the field himself as the opponent of Parker.

The Nebraskan stood out today as the dominant figure in the convention. All contingents of the future, including the nomination of a presidential candidate, seemed to hinge upon what he should do. The impression continued more marked that Mr. Bryan might be the nominee.

Determined to Support Bryan.
Some of his friends tonight declared that he would be voted for in the convention, whether formally placed in nomination or not, and they expressed the belief he would win if the voting were to a fourth or fifth ballot.

In furtherance of their hope of nominating Mr. Bryan some of his friends, it is said, are bending their energies to prevent a coalition of the Clark and Wilson forces. They are talking of Bryan and Wilson as a possible ticket, and the suggestion is receiving attention in many quarters.

In the event that Mr. Bryan should not be a candidate himself, for temporary chairman, it was said he might urge Senator Kern of Indiana, for the place. The leaders tonight expected Mr. Bryan to enter the race.

Watching to Support Bryan.

The contest over the chairmanship is looked forward to with trepidation by some of the leaders and by the supporters of several presidential candidates. One of the most interesting developments looked for is the stand to be taken by the Clark delegates. A large number of those already have been pledged to support the choice of the national committee, whoever he might be. This action was regarded in the state delegations as distinctly an anti-Bryan move. There has been a long friendship between Mr. Bryan and Speaker Clark. The delegates to the convention tonight are wondering if tomorrow's battle will show a rupture.

It is a coincidence that Mr. Bryan is arriving himself against the only man who has shared with him the presidential nomination of his party since the death of William J. Bryan.

MEXICAN REBELS HEAD FOR HILLS

Intend to Keep Up Guerilla Warfare Until They Can Get Reorganized

CHIHUAHUA, Mexico, June 24.—Organized revolution in northern Mexico is in its dying stages, and in its stead soon will be substituted the guerrilla warfare of the mountains, with a program of disturbance calculated to keep the government actively on the defensive and give rebel leaders time to prepare for another concentrated movement which they shall be better supplied with munitions of war.

This was the status tonight of the revolution headed by General Pascual Orozco, and, though at Bachimba, 46 miles south of here, the rebel forces of 5,000 men are gathered, presumably ready to confront the advancing federal troops of General Huerta. In reality, the last details of an elaborate retreat to the hills were decided upon tonight.

Only a sham defense or slight resistance will be made to the federal advance. As few men as possible will be in Bachimba when the federals present their frontal attack. Probably less than 800 troops will be in the rebel positions firing the big guns and light arms while the main forces are being retired in orderly fashion to the city of Chihuahua and the country northwest of here.

It is practically certain that all bridges between Bachimba and Chihuahua will be blown up by the rebels, and the impression is general that General Orozco will lead the rebels to the Mexican-Northwestern railroad at Casas Grandes and the Guerrero district where his men, most of them mountaineers, are familiar with the hills and passes.

That this program is known to the federalists is drawn from the change in the government's plan of attack. A small part of the federal column, with most of the artillery, will assault the Bachimba positions, but the greatest part of the government army is now being thrown to the right and left wing of the rebel with the hope of driving it behind Bachimba and preventing their northward retreat. The western flank movement is not regarded as formidable, but the one to the east, according to rebel scouts, will reach even as far north as Aldama on the Kansas City, Mexico, and Orient railroad, a point 15 miles northeast of Chihuahua, where a junction will be made with forces marching southward from point near the American border.

General Emilio Campa, Colonel Jose Alatorre and Captain Martin Salazar, imprisoned recently by General Orozco, on a charge of insubordination, were released today from the Chihuahua penitentiary. They will be given work in the present campaign, but probably will not have their old commands.

TAFT ENTERTAINS BIG STEVE

WASHINGTON, June 24.—A. M. Stevenson, of Denver, who held a proxy in the Republican National convention at Chicago, was a guest of President Taft today.

JUDGE PARKER SELECTED BY COMMITTEE

Chosen as Candidate for Temporary Chairman Democratic Convention

BRYAN SUPPORTERS LOSE

Cast 22 Votes for James and Gorman—Meeting Stopped to Consult Commoner

BALTIMORE, June 24.—Alton B. Parker of New York was chosen as the candidate for temporary chairman of the Democratic convention by the national committee tonight. Parker received 31 votes. Senator-elect James of Kentucky 29, and Senator O'Gorman of New York, 20.

Chairman Mack called the adjourned session of the national committee to order a few minutes before 7 o'clock, the first order of business being further discussion of the subcommittee's recommendation of Judge Parker for temporary chairman.

The committee had adjourned in the afternoon after Committee Hall of Nebraska said the name of William J. Bryan would be submitted to the convention as a candidate for temporary chairman, if the committee ratified the selection of Parker.

Chairman Mack and Mr. Hall, who had been appointed a peace committee to bring Parker and Bryan together, reported the failure of their efforts. As he entered the meeting room, the chairman said the temporary chairmanship would be disposed of first, indicating that the committee would ratify the selection of Parker by a large majority.

Upon the report of the failure of the compromise committee in the afternoon the majority of the national committee determined to stand by the selection of the subcommittee on arrangements. The vote then was taken.

Forerunner of Bitter Fight

Twenty-two progressive Democrats were against the selection, 20 supporting Mr. Bryan's champion, Representative James of Kentucky, and two voting for Senator O'Gorman, who had also been pronounced as acceptable for the temporary chairmanship by the Bryan faction.

The action of the national committee is expected to result in a bitter fight on the floor of the convention and a struggle for supremacy between the Bryan Democrats and so-called conservatives.

When Urey Woodson, committee man from Kentucky, voted for Parker against James, he explained that Kentucky did not wish to place James' name before the committee.

Robert Ewing, committee man from Louisiana, and a Wilson supporter, placed James' name before the committee.

Edward F. Giltra, of Missouri, a Clark man, explained that he voted for James because he was supporting Clark. This was taken by many to mean that the Bryan forces in the convention would receive some assistance from Clark supporters when the

BRYAN MAY BE HEAD OF RESOLUTIONS COMMITTEE

Believed Place Will Be Conceded Him If He Is Not Made Temporary Chairman

BALTIMORE, June 24.—If Mr. Bryan should not be temporary chairman of the Democratic convention, he probably will be chairman of the committee on resolutions. He will be the representative of his state on that committee and his position on that committee is such that the place will be conceded to him by common consent. The general opinion is that he will prepare the greater part of the platform. Many think he now has much of it written, but he is reticent on the subject.

Delegates were too much occupied today with the temporary chairmanship to give close attention to the resolutions but insofar as there was expression on the subject, it indicated harmony. Representatives of some eastern states expressed apprehension that there may be an effort to force approval of the initiative, referendum and recall and if there is, it will be opposed. Mr. Bryan, however, has indicated the opinion that these particular only to state administration, and it is not believed he will contend for any radical pronouncement on this subject.

There will be planks pledging the party to income tax legislation, to the election of senators by direct vote and primary elections. The protective tariff will be held responsible for the trusts and the high cost of living, and there will be a declaration for rapid revision of the tariff. It will be a battle for revenue rather than for tariff revision. All factions are committed to this plan.

BELLE FOURCHE, S. D., June 24.—Running to meet his father, 7-year-old Albert L. Matthews fell into an irrigation ditch on the Matthews' ranch near Belle Fourche, S. D., and was drowned. The body was found three miles down the ditch where the father's orders had caught on a nail in the flume.

HAVEMEYER WAS ACTUATED BY SENTIMENTAL MOTIVE

NEW YORK, June 24.—The late H. O. Havemeyer was actuated in his development of the beet sugar industry in Utah by a motive that might be termed sentimental-nominally, that his forefathers were in the business of sugar making for nearly half a century, according to testimony today by Thomas H. Cutler, vice president of the Utah-Idaho Sugar company, in the government action to dissolve the so-called sugar trust.

When asked what Mr. Havemeyer gave as a reason for wanting to buy a half interest in the Utah-Idaho company, Mr. Cutler testified:

"The only thing I recall was when he said: 'Myself and my forefathers have been in the sugar business for a century. I believe the beet sugar business has come to stay, and it is right that I should have a part in its development.'"

Mr. Cutler testified that it was after Mr. Havemeyer conferred with E. H. Harrison that the late railroad magnate agreed to build a road through the Utah beet sugar fields.

CHICAGO A BIG GAINER

CHICAGO, June 24.—Chicago got that whole week of red fire convention for less than \$100,000, and Fred W. Upham, chairman of the committee of Chicagoans who were "angels" to that greatest of shows, is preparing to declare a 20-per-cent dividend.

Every star performer in the week's show is getting votes of thanks. Gratitude is being showered upon the participants who have made Chicago the all-absorbing place of the nation for the past several days. Even Theodore Roosevelt, the unexpected addition to the convention card, has been given credit as one of the headline attractions.

The added numbers on the convention bill resulted in additional expenses for the Chicagoans who financed the affair. But, as pointed out by Mr. Upham, those added numbers were what made the convention the greatest in years, pouring into Chicago thousands of people and their \$5,000,000 of the estimated expenditures of the visitors.

C. E. CONVENTION ENDED

CANON CITY, Colo., June 24.—The annual convention of the State Christian Endeavor union closed a five-day session here last night, with a consecration service, which 1,000 attended. HARRISON-HEARST FACTION DEFEATED

Twenty Members Sullivan Delegation From Illinois Seated by Committee

BALTIMORE, June 24.—The national committee, after half an hour's deliberation of the Illinois contest, voted to seat the entire contested delegation known as the "Hearst-Sullivan" delegation, turning down the case brought by the Harrison-Heard faction. Twenty seats were involved. The decision does not affect the presidential contest, as all the delegates, contestants and contestees, are for Clark.

A last fight was narrowly averted before the subcommittee of the national committee, which heard the Rhode Island contest, Frank K. Fitzsimmons, chairman of the state committee, one of the three men contesting the credentials held by Rhode Island delegates, called John J. Fitzgerald, who was speaking against the contestants, a "far and a coward." Fitzgerald started for Fitzsimmons; the latter stripped off his coat, and a fight was imminent, when members of the committee and bystanders separated the pair. Both later apologized.

Spirited Conversations. Spirited argument characterized the talk in the contest from Illinois, in which Mayor Harrison and the Hearst Democratic faction of Chicago were contestants, against the Sullivan faction. The Harrison-Heard delegates from the Tenth Cook county district, and the Seventeenth, Twenty-first and Eighth districts, it was maintained, had been selected in regular primary elections, whereas the delegates seated were chosen in the old-fashioned conventions. Only 18 seats in the whole convention were contested. Shortly before midnight the full committee met to hear the reports of the subcommittee and decide the cases.

In the Rhode Island case, the national committee threw out the contestants instituted by the adherents of Representative O'Shaughnessy. Ten Wilson delegates from South Dakota, followers of National Committeeman Johnson, were given their seats against a contesting Clark delegation.

A Pennsylvania contest involved half a vote was settled in favor of the contestants, and the six uninstructed delegates from the Philippines were seated in spite of a contest. Six followers of Edwin A. Newman, instructed for Clark, were seated against two contesting delegations.

The contest against the unit rule in the Ohio delegation was put over until tomorrow.

DEMOCRATIC FACTIONS

(Continued From Page One.)

sent them here if they think they can go back and deceive them into believing that they supported Mr. Parker from any worthy motive.

"The talk of harmony is too absurd for serious consideration. I tried to secure harmony by urging several weeks ago that the committee invite Mr. Clark and Mr. Wilson, whose instructed delegates constitute about two-thirds of the convention, to agree upon a candidate for the purpose of avoiding faction. They not only failed to do this, but they refused to take the choice of either candidate, and at Mr. Parker's dictation forced Mr. Parker's nomination."

"I shall discuss Mr. Parker's fitness for the position tomorrow. It is enough tonight to say that if he does not know whose agent he is, he lacks the intelligence necessary for a presiding officer, and if he does know, he does not deserve the support of any man who has the right to call himself a Democrat."

Willing to Sacrifice Himself.

"I expect to present the name of some progressive and to support his claims before the convention. If I fail to find a man to lead the fight my name will be presented as a candidate for temporary chairman."

"I have no way of knowing how the convention stands, but the Democrats of the nation have done enough for me to justify me in suffering defeat, if necessary, in their defense. One Republican party is enough in this country, for whatever we may call ourselves, if we cannot distinguish ourselves from them in our actions, people will not pay much attention to our words."

There was a cheer from the delegates and visitors who swarmed in Mr. Bryan's rooms when the Nebraskaan concluded his statement.

Mr. Bryan was in conference late tonight with his associates, discussing out tomorrow's contest before the convention.

That the national committee felt the potency of Mr. Bryan's influence became apparent early this morning when a recess was taken to permit a "policy committee" to call upon him.

"Reliable Jewelers"

The first move of this committee, composed of National Chairman Mack and Vice Chairman Hall, was to bring Judge Parker and Mr. Bryan together at a conference.

Parker Fails to Convince Bryan. It was said, Judge Parker went over many points of his "key note" speech with Mr. Bryan in the hope of convincing him of the progressive note it would strike.

The effort was unavailing. Mr. Bryan soon left the conference, asserting that while the interview was "most pleasant, indeed," he had failed to change his attitude on the temporary chairmanship.

As the doors of the conference room opened and Mr. Bryan stepped briskly out, Judge Parker could be seen with a look of disappointment over the city.

A moment after Mr. Bryan had disappeared, Chairman Mack came out and asked where he had gone. When told, he made no effort to follow, returning to the conference room for a few more minutes with Judge Parker and Vice Chairman Hall. As these three finally emerged they announced the committee would go ahead and approve the selection of Judge Parker, let the fight come as it would.

It will come after the opening prayer by Cardinal Gibbons tomorrow, when National Chairman Mack presents the name of Parker as temporary chairman.

Seven Avowed Candidates. The convention will get under way tomorrow with seven avowed presidential candidates in the field, no one of them with nearly enough delegates instructed or pledged to carry them near the two-thirds vote required to nominate—725.

It has been expected by many political observers, that during the two weeks preceding the convention, some of the candidates might form a coalition, but no such thing has occurred, and this fact, Mr. Bryan's friends declare, argues well for him. Mr. Bryan will have his opportunity to speak before the convention towards its close and some of the presidential boomers here are plainly nervous as to the effect he might have.

If he loses as temporary chairman, Mr. Bryan is slated by his state delegation for the committee on resolutions, and probably will be its chairman. As such, he would have a leading part in framing the platform and would present it in person to the convention just prior to calling the roll of states for presidential nominations.

The seven avowed presidential candidates are Governor Wilson of New Jersey, Speaker Clark of Missouri, Representative Underwood of Alabama, Governor Harmon of Ohio, Governor Baldwin of Connecticut, Governor Burke of North Dakota and Governor Marshall of Indiana.

Bryan Frequently Mentioned. Outside of these, the men most talked of are Mr. Bryan, Mayor Gaynor of New York and Governor Dix of New York.

Mr. Bryan frequently during the last few months had declared he was not a candidate, but it is difficult to find a state delegation in which he is not discussed as a possibility. One claim put forward by Mr. Bryan's supporters is that with him in the field, there might ensue a coalition with disaffected Republicans, interested in a third party movement.

Up to this time the delegates have given comparatively little thought to the presidency. The contest between Mr. Bryan and the majority of the national committee over the temporary chairman has overshadowed everything else.

The principal campaigning is in the way of distributing copies of the "Horn" Daws' song, hat bands,

stamped with the candidate's names, banners, posters and all manner of contrivances. Good nature seems everywhere apparent.

The strength of any secondary candidate could develop in the convention, in the event of a deadlock on the first and succeeding ballots, could not be estimated tonight. Governor Marshall will receive the 30 votes of Indiana on the first ballot, but no other immediate strength is visible for him. Mayor Gaynor's boom is wrapped up in the activity of several "Garner clubs" which have opened headquarters, but it depends upon New York's attitude on the temporary chairman, and the outcome of the fight tomorrow, whether New York's 90 votes will go to Gaynor, Dix or some other New York favorite, or will be thrown to the one of the recognized candidates.

Talbot Criticizes Bryan. The debate over the temporary chairmanship was not prolonged. Representative Talbot, the Maryland member, severely criticized Mr. Bryan, and declared the Nebraskaan had assumed the role of dictator to the Democratic party.

"I, for one," said Mr. Talbot, "do not propose to submit to the dictation of this man or any one else."

Senator Newlands of Nevada, sitting in the committee with the proxy of Committeeman Sunderland, defended Mr. Bryan. The senator said he did not yield to the dictation of any one man, but that he did not regard Mr. Bryan as a dictator but as the representative of progressive principles endorsed by the party.

At the conclusion of the vote on temporary chairman, the committee took up delegate contests. Subcommittees were appointed to take up various contests, the largest subcommittee hearing the contestants from

BANTAM ROOSTER MASCOT OF UNDERWOOD ROOTERS

BALTIMORE, June 24.—When the Birmingham, Ala., contingent, composed mostly of members of the Underwood marching club, arrived here they carried as a mascot a Bantam rooster known as "Punch." "Punch" was the hero of the occasion when the delegation stopped at Washington to greet Mr. Underwood. The marching club members formed a ring and threw their hats into it. "Punch" madly excited, broke from his custodian, flew about 10 feet in the air and came down on the pile of hats. Then he crowed until perfectly satisfied.

Former Governor Folk of Missouri, who was busy shaking hands, said: "It would be suicide for the Democratic party to select as temporary chairman any man of reactionary tendency. On a straight progressive proposition we can win next November."

Mrs. William Jennings Bryan and her daughter, Grace, who recently became the bride of R. L. Hargraves of Lincoln, Neb., held a continuous reception at the Nebraska headquarters.

PRINTED COPIES OF ROBINSON REPORT

At the regular meeting of the Hill Improvement society, last night a resolution was passed requesting the city council to have Charles Robinson's report printed in pamphlet form to give to all citizens. The report had previously been discussed by Mr. W. S. Pennington, Mrs. Sturges, Mr. Robert Kerr and W. T. Pinner. A resolution followed an open discussion by the whole society. The society also appointed a committee to range for a picnic "Labor" day at respect lake.

ADIES' DAY THURSDAY AT ZOO PARK POOLS

Beginning tomorrow afternoon at 2:30 park ladies exclusively will be admitted to the bathing pools, and to pool is free to all ladies who bring their own bathing suits. The pools will be under the direct personal supervision of Mrs. Coughlin. Skating will also be free to ladies at the zoo during the evening excepting Sundays.

Aunt Sally's Advice to Beauty Seekers

Lydia says: "I've tried most everything for my freckles, but can't lose 'em. What do you suggest?" See Aunt Sally. "Apply this night cream. I've never known to fail in any case of freckles or other cutaneous blemish."

P. J. K. asks: "Is there anything better than massage to remove wrinkles?" Too much massaging may aggravate a wrinkled condition, tend to soften and loosen the tissue. I advise bathing the face in an astringent lotion made by dissolving an ounce of powdered salicylic acid in a half-pint of witch-hazel. This is remarkably effective.

Stella writes: "My complexion is so dirty. What shall I do for it?" Get an ounce of mercerized wax. Your druggist. Apply this nightly. You would use cold cream, washing it off mornings. This will cause the offensive process gradually to make way for a process of gentle absorption, for a clear, velvety, healthy, hued skin underneath—Woman's Realm.

EXTENSION OF WALKS TO BE TAKEN UP SHORTLY

Immediately after the ornamental light poles have been installed the street department will take up the matter of having sidewalks extended to the new curb line. The poles will be erected in the business district, 50 feet apart, and the rate for the electricity used in this lighting system will be 3 cents per kilowatt hour. The city will maintain the lights with no minimum or maximum time specified as to burning.

Parking or sidewalk for the extra space will be optional with property owners on the cross streets, but pavement clear to the curb line will be insisted on for the main streets. The city engineer's office will control the matter because of the permits necessary for laying out sidewalks. The extra space along the south side of Pikes between Cascade avenue and Tejon street will be variegated. The plan to park between their present sidewalk and the new curb, but the owners of the Everhart block will probably put in pavement.

WILL START COLLEGE SUMMER SCHOOL TODAY

Yesterday was registration day for the Colorado college summer school, and a goodly number of students entered the courses. At the close of registration last evening 10 more students had registered than on the opening day last year. Professor Howe will be in his office to handle further registration again this morning, and this afternoon from 3 to 4. All lectures and recitations begin today, and students intending to enter are requested to attend. Professor Albright has had a number of requests for a course in trigonometry, and if he receives a few more will comply. He is willing to do this, as he will be at Harvard next year as exchange professor during the second semester, and therefore cannot give his regular trigonometry course at Colorado college.

Y. W. C. A. GIRLS SPEND DAY TAKING IN SIGHTS

Yesterday's session of the Young Women's Christian association at Cascade was not marked by any special features. The bible classes in the morning, and the various other classes, gave way to recreation in the afternoon, and many of the young women took side trips into the hills. Mr. Heizer of the Ramona hotel escorted 40 young women on a delightful trip up the canon. In the evening the Rev. Bruce Kinney addressed a large meeting of delegates on "Home Mission Work in the Baptist Church." He stated that America is the greatest power for good in the mission field, and is a leader and example for other world powers in regard to mission work.

Today is to be the gala day of good fellowship. It will be the best chance for the delegates to have enjoyable, some comedy and enjoyment. The morning session will begin as usual with several classes, bible studies, with missionary classes, and at 11:15 there will be a technical conference on the principles of the work of the association in colleges and city associations. Directly following the dinner hour, the gala events will begin, and visitors from Colorado Springs are cordially invited, and will be heartily welcomed. Each delegation is expected to provide some special "stunt" as an entertainment, representative of its college or city association. There will be musical numbers, oratorical outbursts, and other fun-making features. This is an annual feature, and is looked forward to with pleasure.

In the evening there will be a short temper service, followed by freedom for the young ladies to have an annual spread night. Various groups of girls will band together and have good old college spreads in their rooms. For those who wish to visit the gala events an auto will leave the Sun drug store, on Pikes Peak avenue, this morning at 9 o'clock, reaching the Hotel Ramona and conference headquarters at 9:45. It will leave at 4 p. m. for the return trip.

The information contained in the pamphlets inclosed in the cases is useful and complete.

CROWDED HOUSE SEES

'THE FORTUNE HUNTER'

With the house packed from parquet to gallery, the Burns last night opened for the summer stock season with "The Fortune Hunter" as the attraction. The opening was most auspicious and divided interest from a social and theatrical point of view, with the formal opening of the theater several weeks ago.

The company which has been engaged for the stock season at the Burns this summer is one of the best balanced of the kind ever seen here. Many of last night's audience had seen "The Fortune Hunter," produced by high priced road companies, but last night's production did not suffer by comparison.

Malcolm Duncan as "The Fortune Hunter" was very clever and his work compared very favorably with that of the stars seen here in the road companies. His role, that of the "failure" who goes to a small country town to settle down and marry the daughter of the richest man in town, is anything but easy.

Dividing interest with Mr. Duncan was Miss Justina Wayne who appeared last night as Betty Graham, the druggist's daughter. Miss Wayne is charming and appeared to advantage in her emotional scenes. The others of the company acquitted themselves with credit.

So pleased was the large audience with the entertainment offered that numerous curtain calls were received after every act and the leading players were the recipients of many beautiful bouquets from their new admirers.

Judging from the large attendance last night and the appreciation of the work of the company at the Burns the new theater is fairly started on a prosperous summer season. "The Fortune Hunter" will be the attraction every night today and Saturday afternoons. Next week "The Lion" will be the attraction.

MASONS CELEBRATE

The feast of St. John the Baptist, one of the patron saints of the Masonic order, was celebrated by Tejon lodge, No. 104, A. F. and A. M., last night at Masonic temple with an attendance of 255, which taxed the preparations that had been made for the occasion.

The Masons decided to make the celebration of the feast of St. John an annual affair, due to the marked interest shown last night, and it was also decided to hold other social evenings of an educational nature for the members and friends to enjoy. The refreshment feature will be continued. The program was carried out as scheduled and proved entertaining. It was followed by the banquet at which good fellowship reigned and it was necessary to make extra preparation so great was the interest shown in the event.

WILLIAMS JUBILEE SINGERS HERE TONIGHT

Under the auspices of the St. Paul Methodist Brotherhood the Williams Jubilee singers will give a concert at the First Methodist church tonight. The singers are eight colored people who have done a great deal of concert work both in this country and in Europe. They hold a reputation for singing to crowded houses, night after night, and for drawing people who have heard the once, back again and again. Their program includes negro melodies, plantation songs and sacred choruses.

"During the past seven years I suffered from pains in the back and ovaries. I tried many remedies but found only transient relief until I was persuaded by a friend to try Dr. Pierce's Favorite Prescription. After giving this remedy a fair trial, I found that it would do just what it is recommended to do. I used it all seven bottles. I cannot speak too highly of Dr. Pierce's remedies for all female derangements."
